

# SIGN UP FOR CLEAN ENERGY NOW! AND SUPPORT YOUR COMMUNITY.

**Every household in Branford can now support renewable power!  
Join Branford RTM's "20% by 2010" Clean Energy Options program!**

## **Add more solar power to Branford High School!**

You can choose! Support clean, renewable electricity made from wind, water and sunlight by joining Connecticut's Clean Energy Options program, [www.ctcleanenergyoptions.com](http://www.ctcleanenergyoptions.com). When you select the Clean Energy Option from Sterling Planet or Community Energy, you authorize that company to purchase Renewable Energy Certificates (RECs) on your behalf. You will still receive one electric bill from Connecticut Light & Power, but with a small additional clean energy line item charge. Your bill will go up no more than 1.3 cents per kilowatt-hour-- between \$4 and \$9 a month--depending on how much electricity you use. CTCleanEnergyOptions was developed under the direction of the CT Department of Public Utility Control, in cooperation with UI and CL&P. There are no termination fees and you may leave the program at any time.

CONNECTICUT  
CLEAN ENERGY FUND

[www.branfordcleanenergy.com](http://www.branfordcleanenergy.com)

For every 100 local residential or business customers who sign up, Branford will earn 2kW of FREE solar panels from the Connecticut Clean Energy Fund installed on a school or other town building. We already have a 7KW system on the roof of Branford High School, and WE WANT MORE! Support reduced CO2 emissions and real energy independence nationally, regionally, and locally! CHECK A BOX TODAY!

**STERLING PLANET:**  
(877-457-2306)

- 100% Level, additional monthly cost = \$0.0119 x monthly kWh
